SB 2037

SB 2037 simply deletes the repealer on CODE Section 37-4-11 that provides for the transfer of the state funded industrial training program and the postsecondary adult training programs from MDE to the SBCJC.

SB 2037 is effective June 1, 2003.

MDE and SBCJC both support this bill, as it simply allows training to remain at SBCJC. 2 other bills, SB 2412 and HB 744, are both still alive and are duplicate bills that address the repealers on 6 different programs, including these training programs. The Senate wants to delete all of the repealers and the House has extended the repealers for 4 years. So, this bill could be null and void if the House position is agreed upon in conference, as the conference bill would extend, rather than delete, the repealer on the training programs.
